

DONNY OSMOND

Voted Best Resident Headliner & Best Production 2026 Harrah's Las Vegas

For more than six decades, Donny Osmond has been a beloved entertainer on stage and screen. His high-energy Las Vegas residency at Harrah's blends iconic hits, storytelling, cutting-edge technology, and heartfelt connection into one unforgettable night.

THE SHOW

Backed by a live band and a cast of dancers, Donny takes audiences on a fast-paced musical journey through his remarkable career—featuring “Puppy Love,” “Soldier of Love,” Broadway favorites, and more. The show includes:

- The Request Segment, where Donny performs any audience requested song from any of his 65 albums in real time.
- Disney’s “I’ll Make a Man Out of You” (From *Mulan*), presented as a high-energy Broadway-style number with multimedia and choreography inspired by Captain Shang's stick-fighting sequence.
- A tribute to his legendary Donny & Marie era, featuring clips from their iconic television show.
- A touching “Moon River” duet where Donny performs alongside vintage footage of Andy Williams.
- A standout moment is Donny’s groundbreaking duet with his 14-year-old self, created entirely with advanced AI and CGI; the physical performance, however, is provided by Donny’s real 14-year-old grandson, Daxton.
